## About Me

I am a passionate web developer and photo editor. I enjoy creating websites that are both functional and visually appealing, while also enhancing images to bring out their best. I am curious, always learning new skills, and love taking on challenges that let me grow. I work well independently or with a team, and I pay attention to details to make sure my work looks and works great.

## Soft Skills

- Communication
- Creativity
- Time Management
- Critical Thinking
- Adaptability

*Binalbagan National High School*

Junior High 2016 - 2020  
*Binalbagan National High School*

**Primary :** 2011 - 2016

Jose L. Yulo Elementary School

## Project

• Online Veterinary Management System Developed a web-based system on local hosting to efficiently manage veterinary appointments, patient records, and client information as part of my thesis project. Designed user-friendly interfaces for smooth navigation and enhanced user experience. Improved visual content and graphics to make the system more appealing and professional, while implementing features that streamline clinic operations. Successfully demonstrated the system's functionality and effectiveness in a local environment.

## Certifications

• **NC II - Computer System Servicing (CSS)**

TESDA Certified 2024-2029

• **Basic Cisco Networking**

St. Cecilia's College, Basic Cisco Seminar 2024
